I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: *There are no local pharmacies left in our town unless I, in the past, could secure compounding services. How does one have to go out of state. I consider this legislation monopolistic & restricts quality.*
