RE: DOCKET NO. 98N-1265

To the FDA:

1999 JAN 20 10 10 AM  
I send this letter as a consumer of health care services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of the physicians and patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs. As a healthcare consumer there should be no restrictions to the delivery of compounded medication prescribed for me, regardless of where I live or travel. The MOU must be amended!!!

The FDA is an agency of the U.S. Government that purports to be the "watchdog" for consumer safety. THIS IS NOT A SAFETY ISSUE!! As a governmental agency, the FDA also has a responsibility to be accountable to the people. Once again, the MOU must be amended!!

Comments:

I URGE YOU TO PLEASE AMEND THE MOU, WE NEED TO HAVE  
FREEDOM OF CHOICE, SHOPPING FOR PRICE (STATE TO STATE), &  
PAY OUT OF POCKET FOR COMPOUNDED MEDICATION.

Signed: Michael and Barbara Adair

State of Residence: CALIFORNIA
