Re: DOCKET NO.98N-1265

This letter is concerning DOCKET NO.98N-1265. I want the MOU amended by July 29, 1999. Everyone has a right to obtain healthcare products from the provider of their choice. I choose to use alternative hormone treatments that have no side effects. The MOU is an infringement of the compounding pharmacies to serve the public's medical needs.

Once again the MOU--DOCKET NO.98N-1265 as well as the Compounding Section 503A, need to be amended by July 29, 1999. In its present form, both the MOU and the Compounding Section severely restrict the rights of physicians and patients to obtain healthcare products from the provider of their choice.

Sincerely,

Barbara Losito
