ORDER

On January 26, 2005 Respondents Korangy Radiology Associates, P.A., trading as Baltimore Imaging Centers, and Amile A. Korangy, M.D., filed a Respondents' Request For Protective Order pursuant to the provisions of 21CFR § 17.28(b)(6). The Request seeks the redaction of the record in order to shield financial and other privileged information from public disclosure. The Respondents, while generally identifying the information to be protected, fail to reference the specific documents or parts thereof that they seek to have redacted. The Request will therefore be denied without prejudice to its resubmission. Accordingly,

IT IS ORDERED, that Respondents' Request For Protective Order is denied without prejudice to its resubmission with redacted copies of the record information they seek to have protected from public disclosure.
