Re: Docket No. 2004N-0463: Food Labeling; Prominence of Calories

Dear Sir or Madam:

The Association for Dressings and Sauces (ADS) is the international trade association representing manufacturers of mayonnaise, dressing for salads, sauces and other condiments, as well as companies that supply these manufacturers. FDA has raised some very thoughtful questions regarding prominence of calories in this Advance Notice of Proposed Rulemaking (ANPRM).

ADS believes that more than 75 days is required to respond to the level of detail FDA is requesting in the ANPRM. Therefore, ADS respectfully requests a 90-day extension to respond to this ANPRM.

Sincerely,

  
Pamela A. Chumley  
Executive Director
