Re: Time Extension for FDA's Comments on Frito-Lay's Carbohydrate Petition

Frito-Lay appreciates the update on its comments to the FDA on carbohydrate claims for use in nutrition labeling. Frito-Lay North America is headquartered in Plano, TX and is a division of PepsiCo, Inc. Frito-Lay Inc. submitted the petition on Nutrient Content Claims for Carbohydrates under Section 403(r)(4) of the Federal Food, Drug, and Cosmetic Act and Section 101.69 of the Code of Federal Regulations on June 2, 2004.

Frito-Lay understands and concurs with FDA's request for a time extension to October 31, 2005 for FDA's written response to our petition. Thank you for your continued consideration of our petition.

Sincerely,

Rocco Papalia
Senior Vice President, Research and Development
