

SECTION A:

PRELIMINARY REQUIREMENTS*

***There is no reason to believe that harm would result from any of the proposed qualified health claims since tomatoes and tomato products are Generally Recognized As Safe (GRAS). No evidence of toxicity has been observed at reasonable consumption levels of tomatoes and tomato products.**

Please refer to Part I: Definition of the Substance/Disease Relationship and Part II: C.F.R. Preliminary Requirements for Health Claim Petitions in Section B for more information concerning the preliminary requirements for this petition.

Please refer to 'Suggested' Daily Intake of Lycopene in Section C for suggested intake levels of lycopene in tomato products.
