Re: FDA Docket 2005P-0121/CCP; Withdrawal of Petition Docket

Dear Sir or Madam:

RS Medical withdraws its petition referenced above. The petition proposed the reclassification of what we referred to as the "Non-Invasive Bone Growth Stimulator" from Class III to Class II, and was originally submitted under Section 513(e) of the Food, Drug, and Cosmetic Act. We appreciate the effort that the Agency devoted to its review.

Sincerely,

William Carroll

Vice President, Research and Development
