Branford, Connecticut 06405

Dear Mr. Art:

Your petition requesting the Food and Drug Administration to declare that Chlorhexidine Gluconate 2% w/v and Isopropyl Alcohol 70% v/v Patient Preoperative Skin Preparation 3mL, is suitable for consideration as an abbreviated new drug application (ANDA), was received by this office on 06/10/2005. It was assigned docket number 2005P-0226/CP1 and it was filed on 06/10/2005. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

for Jennie C. Butler, Director
Division of Dockets Management
Office of Management Programs
Office of Management
