

Prolief

Prolief is a natural balancing cream designed to help restore balance. This technologically advanced formula is light and greaseless, free of color and fragrance. Each metered pump conveniently provides 1/4 tsp. application.

Recommended For: Women & Men

Suggested Use:

Women: Recommended use is 1/4 tsp.(1 pump) to 1/2 tsp. (2 pumps) per day. One pump should be applied in the evening. Two pumps should be divided, one in the morning, one in the evening. Apply Prolief to the soft tissues, such as the chest, inner arms, neck, face, palms of the hands and soles of the feet. It is recommended to rotate applications to a different soft tissue with each usage.

Men: Apply 1/8 tsp. (1/2 pump) of cream daily to face after shaving or to soft tissues.
