**Re: Comments of Avery Dennison Corporation  
Unique Device Identification  
Docket No. 2006N-0292**

Dear Sir/Madam:

Enclosed please find the original plus one copy of the comments of Avery Dennison Corporation ("ADC") in the above-referenced proceeding. ADC filed these comments electronically earlier today (Temporary Comment Number 97073), but the FDA's electronic filing system was unable to accept the .pdfs containing the supporting documentation which is required by 21 C.F.R. § 10.20. Accordingly, out of an abundance of caution, ADC is submitting these paper copies of its comments, with the supporting documentation attached.

Thank you for your attention to this matter. If you require any further information, please do not hesitate to contact me.

Sincerely,

Ronald E. Quirk, Jr., Esq.  
Counsel to Avery Dennison Corporation
