Re: Citizen's Petition submitted by State of Wisconsin, Docket  
No. 2006P-0223/CP 1

Dear Mr. Jaffe:

Thank you for your May 26, 2006 letter acknowledging receipt of the Citizen's Petition submitted by State of Wisconsin on May 24, 2006, the filing of that petition on May 26, 2006 and the assignment of Docket No. 2006P-0223/CP 1.

I certainly understand that your letter, and these actions, do not reflect any agency decision on the substantive merits of the Petition. I request, however, that if your office perceives any technical defects with the form, or with compliance with procedural requirements, that you promptly bring that to my attention so that we may correct those technical defects. Thanking you for your attention to this matter and for your consideration in sending me the May 26, 2006 letter, I remain,

Sincerely,

  
Richard Briles Moriarty  
Assistant Attorney General  
State Bar No. 1017190
