Re: Citizen Petition by Mylan Pharmaceuticals, Inc.:  
Exclusivity Determination for Risperidone Tablets  
ANDA #76-879

Dear Sirs:

We are writing in response to Mylan's above referenced Citizen's Petition on risperidone exclusivity.

In our view, the petition is so lacking in merit that our current inclination is not to waste our time or your time with a response. Please be clear, however, that our lack of response does not represent agreement with Mylan.

Importantly, if you would like us to respond to the Petition, please let us know and we will do so.

Very truly yours,

Andrew J. Miller  
Executive Vice President and General Counsel
