Subject: 2007P-0085

Dear Food and Drug Administration,

In regard to Docket #2007P-0085: "Adopt Regulations of General Applicability to All Food Standards that Would Permit, Within Stated Boundaries, Deviations from the Requirements of the Individual Food Standards of Identity":

Please do **not** allow this change. I want the chocolate that I buy to contain cocoa butter, and not some other kind of fat.
