Dear Dr. Walker:

Please add the enclosed "PM Validation Package" to the submission filed on December 17, 2003 for: An extract of *Pueraria candollei* var. *mirifica* Airy Shaw & Suvatabandhu root powder (hereinafter called "Pueraria mirifica extract").

At Vickey Lutwak's direction, we have recopied this document on single-sided pages. Please note that, in some instances, where the footer indicates "Page 1 of 2," no page two appears. This is because the original data was re-copied onto one page; thus there are no missing data. In these instances, a footnote at the bottom of the page indicates "end of report, no page 2."
