**Section 403(r) (6) Notification**

Dear Sir or Madam:

In accordance with the requirement of section 403(r) (6) of the Federal Food, Drug and Cosmetic Act, **Leiner Health Products** notifies the FDA that it has begun using the following phrase and statement:

**Supports Joint Cushioning  
Lessens Stiffness\*‡  
Supports Shock-Absorbing Properties**

**With age, the ability to produce some of the nutrients necessary for joint function and cartilage building declines, making it difficult to supplement what is lost to maintain adequate joint strength, cushioning and structure. Glucosamine and Collagen help nourish and maintain the natural lubricating fluid in joints and cartilage. Glucosamine has been shown to help renew cartilage and joint tissues.**

**Collagen is the most plentiful protein and building block in the body and is a natural source of Chondroitin, a nutrient shown to regenerate joint tissue, and Hyaluronic Acid (HA), a revolutionary compound that retains moisture and functions as a lubricant between connective tissues.**

**Glucosamine, Chondroitin, Collagen and Hyaluronic Acid - powerful nutrients for promoting flexibility, mobility and of course, comfort.**

**‡Associated with daily overexertion and when used as a long-term approach to improved mobility.**

97S 0162

LET

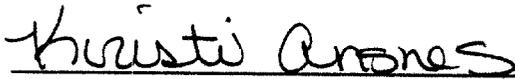

14929

on the following product:

**Your Life® Glucosamine & Collagen with Chondroitin & HA  
(Hyaluronic Acid)**

Very truly yours,

**Leiner Health Products**

---
