December 14, 2004

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Joint Softgel Formula supplements under the PhysioLogics brand name:

Ingredients: Manganese, Sodium, Glucosamine Sulfate, Chondroitin Sulfate, Citrus Bioflavonoids

- Joint Nutrition Backed by Scientific Research.
- This formula contains Glucosamine Sulfate and Chondroitin Sulfate, the same popular joint support ingredients backed by scientific research.
- By providing key structural components in cartilage, Joint Softgel Formula plays an important role in the maintenance of joint cartilage and promotes range of motion.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Angelica S Vrablic, Ph.D.
Manager, Nutrition Research
