DEC 16 2004

Dear Sir or Madam:

Notice is hereby given pursuant to Section 403 (r)(6) of the Federal Food, Drug and Cosmetic Act, 21 U.S.C. § 343 (r)(6), that Kemin Consumer Care, L.C. ("Kemin"), located at 600 East Court Avenue, Suite A, Des Moines, Iowa 50309-2021, is marketing a dietary supplement bearing the following statements on the label and/or in the labeling:

**Satise® (potato protein):** Satiety Aid for use with your diet program; promotes feelings of fullness without bloating; helps with control at mealtimes; when taken as directed, can help promote feelings of satiety and help control hunger, which may lead to decreased food consumption in some individuals; Satise should be combined with a calorie controlled diet and consistent exercise program. By promoting feelings of fullness, Satise helps dieters reach their goals of gradual safe weight loss and weight management; may help dieters control their hunger, eat less and safely manage their weight; ...helps you manage your weight by enhancing satisfaction. When taken before a meal, it helps enhance the feeling of satiety, which may lead to feeling fuller for longer periods of time. [H]elp[s] you make positive changes in combination with an overall sensible weight management and exercise program...helps you naturally manage hunger. Combined with a lifestyle that includes eating fewer calories and exercising, Satise may help you reach your weight management goals. Satise may help with healthy, gradual weight loss when combined with a healthy diet and exercise program. Rapid weight loss is not generally healthy or sustainable.

The undersigned certifies that the information contained in this notice is complete and accurate and that Kemin has substantiation that the statements are truthful and not misleading. Pursuant to 21 C.F.R. § 101.93(a)(1), two copies of this notification are enclosed.

Sincerely,

Jennifer M. Radosevich, Ph.D.  
Director of Research and Development
