Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

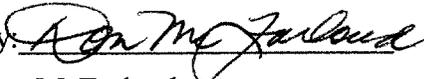

“Cholesterol Support*”

“Cholesterol Support is a powerful blend of nutrients designed to naturally support healthy cholesterol levels. This comprehensive formula includes policosanol, a complex nutrient that has both antioxidant effects and supports liver cholesterol metabolism.* CoQ10 and ActVin® grape seed extract are included to provide specific antioxidant support to cardiovascular tissue while also supporting the transfer of energy from food. Inositol hexanicotinate provides a form of niacin offering all the benefits of traditional niacin without the uncomfortable flush.*”

“In conjunction with a healthy diet, Cholesterol Support helps support cholesterol levels already within a normal range.*”

These claims are being made for a product named Lindberg® Cholesterol Support. This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the McLind Corporation and certifies that the information contained in this notice is complete and accurate, and that McLind Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
