Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Vein Supreme, a dietary supplement. Please note that this claim supercedes our claim filed December 16, 2004.

Statements being made in the labeling of Vein Supreme:

- (1) NOW<sup>®</sup> Vein Supreme is an herbal vascular support supplement whose ingredients encourage healthy vascular function. NOW's combination of Butcher's Broom, Horse Chestnut Seed Extract, and Grape Seed Extract provides powerful support for healthy vascular tone and integrity. Thus, NOW<sup>®</sup> Vein Supreme is a safe and natural way to beautiful, healthy legs..

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
