Statement of Nutritional Support for:

Customer Support

Pursuant to 21 CFR Part 101.93, Rejuvenation Science, a division of Discount Herbs & Vitamins, Inc. files the following Statement of Nutritional Support for the Dietary Supplement marketed as

888-73-REJUV

(888-737-3588)

1. Distributor name/address

Rejuvenation Science
811 N. Catalina Ave., Suite 3208
Redondo Beach, CA 90277

2. Text of nutritional support statement:

- "Promotes Cellular Energy Production"
- Up to 300% better absorption
- Enables High Serum CoQ10 levels

Coenzyme Q10 is a crucial component in the cellular energy production cycle. Research indicates that supplementation with CoQ10 plays a key role in promoting cardiovascular health, protecting DNA from free radical induced oxidative damage, and maintaining healthy energy levels.*

Rejuvenation Science™ Q-Gel®, the 100% hydrosoluble CoQ10, has been proven in seven separate studies in human subjects, to be the most bioavailable CoQ10 oral supplement available. Q-Gel provides up to a 600% increase in serum CoQ10 levels after just 3 weeks of supplementation. Rejuvenation Science Coenzyme Q10 Q-Gel® 30 mg softgels are equivalent to taking 90 mg of conventional CoQ10.*"

3. Name of Dietary Ingredient(s): CoenzymeQ10

4. Brand Name: Q-Gel®

5. The statement is accompanied by the required disclaimer. I certify that the information contained in this notice is complete and accurate, and that the notifying firm has substantiation that the statement is truthful and not misleading.

Yours truly,

Howard Simon, President
