Customer Support

**Statement of Nutritional Support for:**

Pursuant to 21 CFR Part 101.93, Rejuvenation Science, a division of Discount Herbs & Vitamins, Inc. files the following Statement of Nutritional Support for the Dietary Supplement marketed as

888-73-REJUV

(888-737-3588)

1. Distributor name/address  
Rejuvenation Science  
811 N. Catalina Ave., Suite 3208  
Redondo Beach, CA 90277

**2. Text of nutritional support statement:**

- "Joint Health and Comfort\*

Rejuvenation Science™ Advanced Joint Support: CM Plus™ represents state-of-the-art natural joint care. CM Plus™ is a complex of fatty acid esters that work to lubricate the joints, help to promote mobile joint function and help alleviate minor aches and pains associated with exercise and daily life.\*

The ability to produce some of the nutrients necessary for joint function declines with age. Rejuvenation Science™ CM Plus™ is the form of Cetyl Myristoleate (CMO) that was used in the largest scientific study on CMO effects. Research and clinical experience strongly suggest that CM Plus acts as a surfactant and lubricant for joints.\* CM Plus is derived from 100% vegetable material. It is 12% Cetyl Myristoleate in a complex of other fatty acid esters, including Cetyl Oleate and Cetyl Myristate."

3. Name of Dietary Ingredient(s): Cetyl Myristoleate

4. Brand Name: CM Plus

5. The statement is accompanied by the required disclaimer. I certify that the information contained in this notice is complete and accurate, and that the notifying firm has substantiation that the statement is truthful and not misleading.

Yours truly,

Howard Simon, President
