OTHER INGREDIENTS: Cellulose
EASY TO SWALLOW CAPSULES

*Corta-Flx®, a unique formulation of nutrients comparable to the active ingredients of Chondroitin and Glucosamine plus Hyaluronic Acid (HA), the major lubricating component of synovial fluid. HA complements the action of Chondroitin and Glucosamine, helping to renew cartilage and function as a lubricant between connective tissues.

*Joint Comfort and Cartilage Renewal

DIRECTIONS for adult use as a dietary supplement: Take 1 capsule daily with a full glass of water preferably after a meal.

For children, consult your healthcare professional.

WARNING: If pregnant, nursing, or taking medications consult your physician before using this product.
