Pharmavite Reference: Cat 847

Dear Sir or Madam:

Pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Section 101.93 of FDA's regulations, we hereby notify you that we are using the following statement(s):

(1) Name and address of manufacturer:
Pharmavite LLC, PO Box 9606, Mission Hills, CA 91346

(2) Text of the statement(s):
Helps premenstrual conditions. Evening Primrose Oil is especially popular with women and active people seeking nutritional support for their personal health requirements. It is often used in response to premenstrual conditions such as irritability, breast tenderness and bloating.

May Help Relieve Premenstrual Conditions Evening Primrose Oil with Vitamin E is used for premenstrual conditions such as irritability, breast tenderness and bloating. It is suggested that a minimum of 3% of the daily caloric intake of healthy adults should be derived from essential fatty acids like Cis-Linoleic Acid and Gamma Linolenic Acid which perform many vital functions and are necessary for proper cellular metabolism

(3) Name of the dietary ingredient(s):
Evening Primrose

(4) Name of the dietary supplement(s):
Evening Primrose or products containing the above ingredients as a single ingredient or in combination with other ingredients
