RE 30 Day Notification of Statements on Dietary Supplement

Dear Sir or Madam,

Chattem, Inc. submits the information in this notification pursuant to 21 CFR Subpart F, section 101.93 as notice of marketing structure/function claims.

The following statements are being made for the dietary supplement Dexatrim Max™ which contains chromium, vitamin B complex, green tea leaf extract (EGCG), and ginseng:

- Vitamin B Complex converts food to fuel, boosts metabolism & reduces stress
- Chromium supports carbohydrate & fat metabolism
- EGCG from Green Tea enhances metabolism
- Fights hunger & cravings
- Maximum weight loss power
- Ginseng helps fights fatigue
- Fights metabolism slowdown

These statements are accompanied by the required disclaimer. The information contained in this notice is complete and accurate. Chattem maintains on file substantiation that these statements are truthful and non-misleading. An original and two copies are enclosed.

Sincerely,

A handwritten signature in cursive script that reads "David Grob".

David W. Grob, MS, RAC  
Director, Regulatory Affairs and Safety
