Dear Ms. Yetley:

The following dietary supplement statements of nutritional support are submitted for your review.

A. Product Name: Vibrant Skin

"Beauty begins with timeless skin. Revlon Vibrant Skin provides special nutrients and herbs designed to nourish and protect your skin. The antioxidants, Selenium, Vitamins C, E and Beta Carotene, help deter the damaging effects of everyday stresses while keeping skin vibrant and healthy. This unique formula also features Gotu Kola, a Chinese herbal extract traditionally used to promote healthy skin." *

B. Product Name: Nail Strength

"Nails have special nutritional needs to stay healthy and look beautiful. Revlon Nail Strength is designed to help meet those needs. This formulation features 2500 mcg of Biotin to help assist with nail brittleness and other vitamin B complexes, Vitamins B6 and B12 for their importance in helping healthy nail growth. Nail Strength contains Shave Grass herbal extract, traditionally known for an association with healthy nails. Pantothenic Acid and zinc help in the continuous manufacture of new nail cells, and Nail Strength provides ample quantities of these nutrients to help the growth of stronger, longer healthier looking nails." *

C. Product Name: Inner Structure

"Most women are at risk for osteoporosis in later life. Regular exercise and a balanced diet with sufficient Calcium helps women, from the teens on, reduce that risk. Revlon Inner Structure is a specialized formula that pro-

vides the proper balance of minerals and Vitamin D to promote healthy bones. Inner Structure has optimal levels of Calcium and Magnesium as well as Vitamin D. (Vitamin D supplementation may be especially important for women who use products containing sunscreens which may hinder skin's natural Vitamin D formation.) Revlon Inner Structure also features Boron, an element in maintaining adequate bone density. *

"A total dietary intake greater than 2000 mg of Calcium has no further known benefit to bone health." *

D. Product Name: Beauty AM/Beauty PM

"The difference good nutrition makes to beauty is like day and night. Revlon created the Beauty AM/Beauty PM multiple vitamin, mineral and herb program to give you the right balance of vitamins and minerals - in the right combinations, at the right times, for optimum absorption and effectiveness. By day, Revlon Beauty AM contributes to the stamina and energy your body needs to meet the many challenges of modern life. It's rich in antioxidants and Folic Acid. Plus, it's formulated with Ginseng and Ginkgo Biloba, which potentially assist in stimulating mental performance. By night, Beauty PM, rich in minerals, completes the right balance of nutrient combinations. And, it has soothing Chamomile and Passion Flower extracts to assist you in feeling calm and relaxed. Begin each day with Beauty AM, end with Beauty PM...for a healthier, more beautiful you." *

E. Product Name: Radiant Hair

"Hair has special nutritional needs to stay healthy and beautiful. Revlon Radiant Hair is designed to help meet those needs. This formulation features L-Cysteine and Linoleic Acid to help promote healthy hair and natural shine. Cysteine promotes keratin formation which helps hair growth. Vitamins B6, B12 and another natural vitamin B complex, Biotin, are essential nutrients for healthy looking hair growth. It contains copper, pantothenic acid and PABA, essential nutrients for pigment formation. Radiant Hair contains Shave Grass herbal extract, traditionally known for an association with healthy hair. Daily use of Radiant Hair will help to keep hair healthy and lustrous looking." *

F. Product Name: Diet Assistance

"Dieting becomes easier and more effective with the right assistance. Revlon Diet Assistance is a unique supplement featuring Chromium Picolinate to help maintain normal metabolism. B vitamins have been added to supplement important nutritional elements lacking in some reduced calorie diets. Diet Assistance also includes a natural herbal blend to help lessen fluid retention and Plant Cellulose with Pectin to help enhance the natural benefits of dietary fiber." *
