Dear Dr. Fratelli:

Attached is a sample label for an herbal dietary supplement - Bronchosan - entered into commerce during the month of March, 1996.

Please note that this label was created and printed prior to the publication of the proposed regulations for DSHEA. At the next printing of these labels, they will be changed to conform to final regulations. We anticipate this happening prior to December 31, 1996.

Sincerely yours,

Eric L. Foxman, R.Ph.  
Bioforce of America, Ltd.

ELF:es  
Enc.

Irritated throat or lungs can lead to fits of coughing. The components of A. Vogel's Bronchosan help to soothe the throat and lungs even in cases of Bronchitis.
