Dear Dr. Yetley,

Notice is hereby given pursuant to the requirements of section 403(r)(6) (21 U.S.C. 343(r)(6)) of the Federal Food, Drug, and Cosmetic Act of statements of nutritional support which have been made on the label and/or in the labeling in connection with the marketing of the dietary supplement "MindCare". MindCare was first marketed with these statements of nutritional support on March 15, 1996. The statements of nutritional support are as follows :

- Nature's balanced mental alertness formula
- helps enhance learning, memory and academic performance through improved concentration and increased attention span
- reduces anxiety and other effects of emotional pressure

Very truly yours,
