Dear Dr. Yetley,

Notice is hereby given pursuant to the requirements of section 403(r)(6) (21 U.S.C. 343(r)(6)) of the Federal Food, Drug, and Cosmetic Act of statements of nutritional support which have been made on the label and/or in the labeling in connection with the marketing of the dietary supplement "ImmunoCare". ImmunoCare was first marketed with these statements of nutritional support on March 15, 1996. The statements of nutritional support are as follows :

- Nature's balanced resistance builder formula
- assists the body in building up its own defense mechanisms against microbial and viral exposure and common allergens
- contains a minor amount of bio-available Vitamin C that enhances its resistance building benefits

Very truly yours,

Ayurvedic Concepts Ltd.,
