Dear Dr. Yetley,

On April 29, 1996, Natural Organics, Inc. introduced one formula which displays a structure and function claim on the label. This formula is labeled with the mandatory FDA disclaimer. The product name and claim are as follows:

MigraActin

A dietary supplement designed to nutritionally support the body's normal adaptogenic function.

Natural Organics can substantiate this claim with the appropriate documentation and retains this information in permanent files.

If you should have any questions please do not hesitate to contact me.

Sincerely,

James Gibbons
Director of Research and Development
