Re: Amino Food Technologies

Ladies and Gentlemen:

Please be advised of the following notification information pursuant to 21 CFR 101.93.

1. The name and address of the manufacturer is Amino Food Technologies, 1667 S. Main Street, Milpitas, CA 95035.
2. The text of the statement being made is as follows:

"Gochee Berry Extract, is an herbal nutrient known as eye-brightening herb, has been used by the Chinese for thousands of years to maintain normal eye function. It helps support visual function by acting as a powerful antioxidant which can safeguard the eyes from free radical damage.

Bilberry Extract, is an herbal nutrient that has been used as an eye brightening herb since the 16th century in European countries. It helps maintain visual function by stimulating blood circulation to the eye.

Beta-Carotene, an antioxidant form of Vitamin A may help support the normal structure of the lens and maintain the function of the retina.

Natural Vitamin E, an antioxidant vitamin, is vital for healthy eyes. It also helps preserve Vitamin A in the eyes.
