Dear Sir/Madam,

In accordance with the Food & Drug Cosmetic Act 21CFR Section 101.93, the statement(s) for dietary supplements listed below have been included as labeling for the following product:

Dr. Art Ulene's Memory Plus™

Statements:

Formulated with standardized ginkgo biloba extract and B-Vitamins to promote healthy brain function and memory.

Scientific studies show that natural chemicals from the ginkgo plant may increase blood flow in the brain, improve memory and enhance the ability to concentrate.

This formula is enriched with vitamin B12 and other B-vitamins that are needed for healthy brain function.

Formulated with ginkgo biloba extract to support mental function and promote healthy circulation in the brain, plus vitamins B6, B12 and folic acid to nourish and protect the brain.

I certify that the information contained in this notice is complete and accurate and we have substantiation that these statements are truthful and not misleading.

Sincerely,

Dave Brubaker
CEO and President
