Dear Sir or Madam,

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Tyler Encapsulations wishes to notify the Food and Drug Administration that it will within the next 30 days commence to market a dietary supplement which bears statements of nutritional support.

The dietary supplement for which the statements are made is Meno-Fem. The dietary ingredients that are the subject of the statements are vitamin E, magnesium, Dong-Quai (*Angelica sinensis*) and Black Cohosh (*Actaea racemosa*). The statements of nutritional support are as follows:

1. Natural menopause with Black Cohosh. Women's Mid-life Formula.
2. Traditional herbs and nutrients for women during menopausal years.
4. Vitamin E provides essential nutritional support for women during menopause.
5. Contains herbs used traditionally to support female hormonal balance.

These statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act. I certify that the information contained in this notice is complete and accurate, and that we have substantiation that these statements are truthful and not misleading.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Appleton".
