Subject: Statements of support included in labeling for (Product name): SUPER ARTERIAL PROGRAM
Label date to printing: June 14, 1999

This is to notify you that En Garde Health Products (address as shown above) has included the following statements of support, on labeling for the product name shown above.

“Advanced nutritional program for enhanced total body circulation.”

“A synergistically acting combination of nutrients which benefits the heart and all 40,000 miles of arterial blood vessels — an excellent program for everyone over 30.”

“Five nutritional supplements for circulatory system support.”

(For the product, CHELO₂ GARDE PLUS[®]): “The formula developed by Dr. Carl Pfeiffer, M.D., Ph. D, at the Princeton Brain Bio Lab — plus EDTA.”

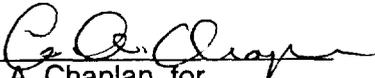

(For the product, SUPER B₁₂/FOLIC ACID BOOST[™]): “Formulated for maximum absorption, with the optimum ratio of Vitamin B₁₂ and Folic Acid for use in the body; with added B₆ to benefit the circulatory system. A double strength version of B₁₂/Folic Acid Boost[™] with Vitamin B₆ — designed for higher effectiveness in controlling the level of Homocysteine in the blood.”

(For the product, GINKGO PLUS[™]): “A synergistically acting combination of whole leaf Ginkgo Biloba, Siberian Ginseng, Green Tea (from caffeine free Polyphenon 60[™]) and Hawthorn berry, to enhance both cardiac function and blood circulation.”

(For the product, OMEGA OILS): “Pure Canadian salmon lipids, prepared to exacting U.S. standards.”

(For the product, OXY-MOXY[®]): “A unique natural oxygen enhancing compound — allows more oxygen to enter the bloodstream with each breath. Take before or during exercise, heavy exertion, or exposure to bad environments such as smog; when trapped in traffic; in an airplane or building where the same air is constantly recycled; or at high altitudes (where the air is thin).”

This memo is to certify that the statements contained on the labeling and in this notice are complete and accurate, and that we have substantiation that these statements are truthful and not misleading.
