Re: Natrol, Inc.

Dear Sir or Madam:

I am the General Counsel of Natrol, Inc., Chatsworth, California, a manufacturer of dietary supplement products (hereafter "Natrol").

On behalf of Natrol, and pursuant to the requirement of Section 6 of the Dietary Supplement Health and Education Act of 1994, 21 U.S.C. §343 (c) (6), your Agency is hereby notified that Natrol proposes to make statements of "nutritional support", as described in 21 U.S.C. §343(1)(6)(a), for its dietary supplements as follows:

(1) Kava Kava: Kava Kava comes to us from the South Pacific where it is part of a treasured tradition of relaxation. Halfway around the world, another culture has discovered the calming benefits of Kava Kava after a stressful day. It affects relaxation, without hampering memory and reaction time.

Please be advised that the label of each of the above dietary supplement products includes the statement that "The FDA has not evaluated these statements. This product is not intended to diagnose, treat, cure or prevent disease."

If you have any questions regarding the foregoing, do not hesitate to contact the undersigned at your convenience.

Sincerely,

NATROL, INC. 979-0162
