To Whom It May Concern:

Murdock Madaus Schwabe Professional Products, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Echinacea Pro. The dietary ingredient that is the subject of the statement is Echinacea. The statement reads as follows:

"Well researched in Europe, this herbal supplement is commonly used to support the immune system. Several constituents in Echinacea work together to support the body's natural defense system."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

MURDOCK MADAUS SCHWABE
