Nathan Tzodikov, Ph.D.
President
Tsunami Supplements
1195 McDermott Drive
West Chester, Pennsylvania 19380

Dear Dr. Tzodikov:

This is in response to your letter of January 14, 2002 to the Food and Drug Administration (FDA) pursuant to 21 U.S.C. 343(r)(6) (section 403(r)(6) of the Federal Food, Drug, and Cosmetic Act (the Act)). Your submission states that Tsunami Supplements is making the following claims, among others, for the product Wakame Heart Health Formula:

“...neutralizing “bad” cholesterol (LDL) by minimizing oxidation. Oxidized LDL is known to cause plaque build-up in the blood vessels.”

21 U.S.C. 343(r)(6) makes clear that a statement included in labeling under the authority of that section may not claim to diagnose, mitigate, treat, cure, or prevent a specific disease or class of diseases. The statement that you are making for this product suggests that it is intended to treat, prevent, cure or mitigate a disease, namely coronary heart disease. This claim does not meet the requirements of 21 U.S.C. 343(r)(6). This claim suggests that this product is intended for use as a drug within the meaning of 21 U.S.C. 321(g)(1)(B), and that it is subject to regulation under the drug provisions of the Act. If you intend to make claims of this nature, you should contact FDA’s Center for Drug Evaluation and Research (CDER), Office of Compliance, HFD-310, 7520 Standish Place, Rockville, Maryland 20855.

Dear Sir/Madam:

Please accept this notification of certain types of statements for dietary supplements filed pursuant to section 101.93. The following information is submitted in compliance with this section.

- i. We manufacture Wakame Heart Health Formula, a dietary supplement and are identified as Tsunami Supplements, a division of Checkpoint Genetics, Inc.. Our address is 1195 McDermott Drive, West Chester, PA 19390.
- ii. The label for Wakame Heart Health Formula bears the statement "Proven effective in neutralizing "bad" cholesterol (LDL) by minimizing oxidation. Oxidized LDL is known to cause plaque build-up in the blood vessels. "
- iii. The dietary ingredient of Wakame Heart Health Formula is *Alaria esculenta*, the botanical name for the commonly consumed sea vegetable also known as *Alaria*.

You will please find our label as appendix A, attached to this notification for your convenience. Please note the information contained in the notice is complete and accurate. It appears exactly as quoted in paragraph ii above. Our company substantiated this statement with laboratory evidence. We believe the statement to be truthful and not misleading.

Please feel free to contact me personally should you have any questions about our label.

Sincerely,

Nathan Tzodikov, Ph. D.
President
