Dear Nick:

The Nonprescription Drug Manufacturers Association has three staff representatives interested in attending the February 19 FDA meeting on the WHO recommendation re: ephedrine scheduling under the UN Convention on Psychotropic Substances:

- Eve E. Bachrach, Senior Vice President & General Counsel
- Kevin J. Kraushaar, Vice President and Director of Government Relations
- David C. Spangler, Vice President - International & Assistant General Counsel

I would welcome the opportunity to make a brief overhead presentation on behalf of the association and its membership at the meeting.

Our phone and fax numbers are included at the bottom of this letterhead.

Sincerely,

David C. Spangler
 Vice President - International
 & Assistant General Counsel
