Dear Sir:

Your petition submitted on behalf of Wyeth-Ayerst Laboratories, Division of American Home Products Corporation, requesting the Food and Drug Administration to review new drug applications for mixtures of estrogens and determine whether the products meet the requirements of Section 505 of the Act relating to safety and effectiveness, was received by this office on 05/12/98. It was assigned docket number 98P-0311/CP 1 and it was filed on 05/12/98. Please refer to this docket number in future correspondence on this subject with the Agency.

Please note that the acceptance of the petition for filing is a procedural matter in that it in no way reflects an agency decision on the substantive merits of the petition.

Sincerely,

Gloria Ortega
