Questions to Stakeholders

Please check the box next to the stakeholder question/s from the March 22, 1999, Federal Register notice which your question/comment addresses.

- 1. What actions do you propose the Agency take to expand FDA's capability to incorporate state-of-the-art science into its risk-based decision-making?
- 2. What actions do you propose to facilitate the exchange and integration of scientific information to better enable FDA to meet its public health responsibilities throughout a product's life cycle?
- 3. What actions do you propose for educating the public about the concept of balancing risks against benefits in public health decision-making?
- 4. What actions do you propose to enable FDA and its product centers to focus resources on areas of greatest risk to the public health?
- 5. What additional actions do you propose for enhancing communication processes that allow for ongoing feedback and/or evaluation of our modernization efforts?
- 6. Additional Comments on FDA Modernization Efforts.

YOUR COMMENT/QUESTION

Are there plans to include pharmacists (as well as mps, ABM managers, etc.) in the dissemination of off-label information regarding drugs from pharmaceutical industry?
