Re: Docket #99P-2630

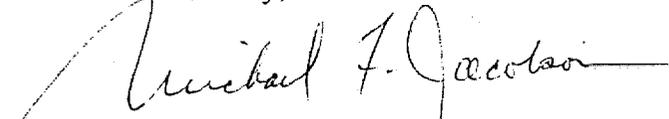

Dear Mr. McCowin:

This correspondence is in response to your letter of August 17th requesting that we submit to FDA's Dockets Management Branch, HFA-305, copies of references we cited in our petition concerning the labeling of added sugars, which has been assigned Docket Number 99P-2630.

In a later phone conversation with our staff member Benjamin Cohen, you agreed that we need not provide documents in the Federal Register or Code of Federal Regulations or portions of the Federal Food, Drug, and Cosmetic Act.

Today, we are shipping these references to Dockets Management. Enclosed here and with them, are notes to help make them more accessible to the reader.

Sincerely,

Michael F. Jacobson, PhD  
Executive Director

Notes on citations in CSPI's petition on labeling added sugars, FDA Docket #99P-2630

(Those that are marked "na" do not cite a document. Those marked "fda" we presume FDA has. All others are provided or an explanation is given.)
