

**EMORY UNIVERSITY SCHOOL OF MEDICINE  
CURRICULUM VITAE**

Revised 3/2/14

Name: **Jana Alhart Stockwell, MD, FCCM, FAAP**

Office Address: Children's Healthcare of Atlanta at Egleston  
Division of Critical Care Medicine  
1405 Clifton Rd, NE; Atlanta, GA 30322

Telephone: 404-785-1600

Fax: 404-785-6233

E-mail Address: jana.stockwell@choa.org

Citizenship: (b)(6)

Current Titles and Affiliations:

- a. Academic appointment:
  - Associate Professor of Pediatrics 9/11 - Present  
Emory University School of Medicine
- b. Clinical appointments:
  - Attending, Pediatric Critical Care Medicine 9/96 – Present  
Children's Healthcare of Atlanta
- c. Other administrative appointments:
  - Director, Division of Critical Care Medicine 3/10 – Present  
Dept of Pediatrics, Emory University School of Medicine
  - Chief, Section of Critical Care Medicine 1/10 – Present  
Children's Healthcare of Atlanta at Egleston
  - Chair, Credentials Committee 1/11 – Present  
Children's healthcare of Atlanta
- d. Previous Academic and Professional Appointments:
  - Associate in Anesthesiology & Pediatrics 1/93 – 2/94  
Duke University Medical Center
  - Assistant Professor of Pediatrics 2/94 – 8/96  
University of Kentucky Medical School
  - Assistant Professor of Pediatrics

	Emory University School of Medicine	9/96 – 3/97
	Clinical Assistant Professor of Pediatrics Emory University School of Medicine	3/97 – 3/07
	Adjunct Clinical Assistant Professor of Pediatrics Morehouse School of Medicine	2005 – 2009
	Assistant Professor of Pediatrics Emory University School of Medicine	3/07 – 8/11
e.	Previous Administrative and/or Clinical Appointments:	
	Duke University Medical Center Pediatric Liaison, Duke Transport Team	1991 – 1994
	University of Kentucky Medical School Chief, Division of Pediatric Critical Care Medicine	1994 – 1996
	Director, Pediatric Intensive Care Unit	1994 – 1996
	Pediatric Director, Transport Team	1994 – 1996
	Medical Director, Pediatric Intensive Care Unit Hughes Spalding Children's Hospital	12/96 – 5/00
	Co-Director, Children's Sedation Services Children's Healthcare of Atlanta	1/03 – 6/10
	Interim Director, Division of Critical Care Medicine Dept of Pediatrics, Emory University School of Medicine	10/09 – 3/10
	Children's Healthcare of Atlanta & Emory University School of Medicine Hughes Spalding Children's Hospital: Medical Director, PICU	1996 – 2000
	Children's Healthcare of Atlanta at Egleston: Vice Chief, Division of Critical Care Medicine, CHOA, Egleston campus	2004 – 2009

## Licensures / Boards:

FLEX	1986
North Carolina License (inactive)	1989
Kentucky License (inactive)	1994
Georgia License	1996
Instructor, Pediatric Advanced Life Support	1991
Affiliate Faculty, American Heart Association (N Carolina)	1993
Affiliate Faculty, American Heart Association (Kentucky)	1994

Specialty Boards:

Diplomate, American Board of Pediatrics	1989 – 1996
Recertified, ABP	1997 – 2004
Recertified, ABP	2004 – 2011
Maintenance of Certification, ABP	2011 – 2015
Fellow, American Academy of Pediatrics	1995 – Present
Pediatric Critical Care Medicine, Subspecialty Board	1994 – 2001
Recertified, ABP	2001 – 2008
Recertified, ABP	2008 – 2015
Fellow, American College of Critical Care Medicine	2008 – Present

Education:

(b)(6)

BS, Zoology  
Texas A&M University  
College Station, TX

(b)(6)

Graduate School of Biomedical Science  
Dept of Human Genetics and Cell Biology  
University of Texas Medical Branch  
Galveston, TX

(b)(6)

MD  
Southwestern Medical School  
University of Texas  
Dallas, TX

Postgraduate Training:

Duke University Medical Center (Durham, NC) Pediatric Residency (b)(6) MD, Chairman	(b)(6)
Duke University Medical Center (Durham, NC) Pediatric Critical Care Medicine Fellowship (b)(6) MD	(b)(6)
Penn State College of Medicine Homeland Security, Public Health Preparedness	(b)(6)

Additional Leadership Training:

Six Sigma Green Belt Training Program Children's Healthcare of Atlanta	2006
---	------

Center for Leadership Children's Healthcare of Atlanta	2008 - 2009
The Complete Course for Medical Staff Leaders Horty-Springer, Naples, FL	Feb 2011

## Committee Memberships:

## a. National and International:

Fundamentals of Disaster Management Committee, Society of Critical Care Medicine	2007 – 2011
Board of Directors, Society for Pediatric Sedation Re-elected 2009, 2 year term	2007 – 2012
Paragon Quality Initiative Coach, Society of Critical Care Medicine	2008 – 2013
NIH Epidemiology and Population Sciences Integrated Review Group, NIH Special Emphasis Panel, ZRG1 EPS-H 51 R	May, 2009
NIH Epidemiology and Population Sciences Integrated Review Group, NIH Special Emphasis Panel, ZRG1 HDM-J 50 R	Dec, 2009
SCCM representative to Pediatric Infectious Diseases Society (PIDS) and the Infectious Diseases Society of America (IDSA) development of Guidelines for Community Acquired Pneumonia in Children	2009 – 2011
ICU Report Revision Task Force, Society of Critical Care Medicine	2010 – 2013
Board of Directors, Southeast Society of Critical Care Medicine	2010 – Present
Health and Human Services (HHS) - "Refining 2010 Surveillance Definitions for Ventilator-Associated Lower Respiratory Infections (VALORI)"	Sept 2, 2010
Guideline Utilization Committee, American College of Critical Care Medicine	2010 – Present
<i>Comprehensive Critical Care: Pediatric Task Force</i> (Co-Editor), Society of Critical Care Medicine	2011 – 2014
Medical Devices Dispute Resolution Panel, Medical Devices Advisory Committee Food & Drug Administration	2011 – 2015

Society for Pediatric Sedation Quality Summit AHRQ grant funded consensus panel	Nov, 2011
Paragon Quality Improvement Committee, Society of Critical Care Medicine	2012 – 2013
Executive Council, Section of Critical Care (SOCC) American Academy of Pediatrics (AAP)	2012 – 2015
SOCC RVU Chair, liaison with Council on Coding & Nomenclature	2013 – Present
PCORI (Patient-Centered Outcomes Research Institute) Invited reviewer	2012 – Present
2013 HHS/CCSC Award Task Force (SCCM designated reviewer) "Eliminating Healthcare Associated Infections"	2012 – 2013
PREP ICU Editorial Board, American Academy of Pediatrics Editor-in-chief	2012 – 2018 2014 – 2018
ICU Management Trends (previously Benchmarking) Committee, Society of Critical Care Medicine	2013 – 2016
AAP Coding Publications Editorial Advisory Board (EAB)	2014 – Present
SCCM Pediatric Section Executive Committee	2014 – Present

## Abstract Reviewer:

Society of Critical Care Medicine	2006 – Present
Pediatric Academic Societies	2011
AAP - NCE	2013

## b. State

Georgia American Academy of Pediatrics Pediatric Emergency Medicine Committee	2008 – 2011
--	-------------

## c. Institutional (Children's Healthcare of Atlanta unless otherwise specified)

1. University of Kentucky Medical School Member, Pharmacy & Therapeutics Committee	1994 – 1996
2. PICU Committee Chair	1996 – Present 1996- 2000
3. Member, Code 99 Committee	1996 – 2000
4. Member, Executive Oversight Committee	1996 – 2000

5. Member, Pharmacy & Therapeutics Committee	1996 – 2000
6. Member, Quality Improvement Committee	1996 – 2000
7. Member, Patient Care Policy Advisory Committee	1997 – 2000
8. Member, Resource Utilization Committee	1997 – 2000
9. Member, Quality Management Committee	1997 – 2001
10. Chair, Medical Service QA Subcommittee	1998 – 2000
11. Quality Oversight Committee	2000 – 2007
12. Member, Physician Practice Council	2001 – 2005
13. Quality Forum (formerly Physician Practice Council)	2001 – 2007
14. Credentials Committee, Vice Chair, Credentials Committee Chair, Credentials Committee	2004 – Present 2006 – 2010 2011 – Present
15. Allied Health Professional Review Committee, Chair, Allied Health Professional Review Committee	2005 – 12/10 2006 – 12/10
16. Blood Stream Infection Taskforce	2005 – 2007
17. Ventilator Associated Pneumonia Taskforce	2005 – 2008
18. Medical Executive Committee	2006 2011 – Present
19. Quality Cabinet	2006 – Present
20. Quality Committee, CHOA Board of Trustees	2007 – Present
21. Quality and Patient Safety Committee, PICU	2007 – Present
22. Emory-Children's Center Quality Committee	2007 – 2011
23. Vascular Access Taskforce Physician Champion	2007 – 2010
24. Emergency Management Committee	2007 – 2010
25. Campus (Egleston) Patient Safety & Quality Council	2007 – Present
26. Physician Advisory Team – Transfer Center	2008 – Present
27. ICU Admission/Discharge Guidelines (ICU Capacity Project)	2008 – 2009
28. Collaboration with Columbus Regional Hospital Project	2008 – 2010

29. MRI Safety Committee	2008 – 2010
30. Allied Health Professionals Peer Review Subcommittee Chair	2009 – 2010
31. Pressure Ulcer Prevention Guiding Team Physician Champion	2009 – Present
32. Department Leadership Council (DLC)	2010 – Present
33. Pediatric Advisory Council	2010 – Present
34. e-ICU Subcommittee of Telemedicine Committee	2010 – 2011
35. ICU Physician Leadership Council	2010 – Present
36. Physician Practice Council Director, Leased Practices	2010 – Present
37. Medicine Service Line	2010 – Present
38. Chair, Credentials Committee Children's Healthcare of Atlanta	2011 – Present
39. Catheter-associated UTI OCHSPS group Physician champion	2012 – Present
40. VAP OCHSPS group	2012 – Present
41. Venous thromboembolism (VTE) taskforce	2013 – 2014

Manuscript / Grant reviewer (ad hoc unless otherwise noted):

Annals of Pharmacotherapy	2000 – 2008
Journal of Pediatrics Typically 1 per 1-2 years	2008 – Present
Pediatric Critical Care Medicine (regular reviewer)	2009 – Present
BMJ Online	2009
NIH Epidemiology and Population Sciences Integrated Review Group, NIH Special Emphasis Panel, ZRG1 EPS-H 51 R	May, 2009
NIH Epidemiology and Population Sciences Integrated Review Group, NIH Special Emphasis Panel, ZRG1 HDM-J 50 R	Dec, 2009

Pediatrics	2011 – Present
Typically 1 per 1-2 years	

#### Honors and Awards:

Best Basic Science Abstract	1992
“Antibiotics increase serum tumor necrosis factor (TNF) and mortality after cecal ligation in the rat” <b>JA Stockwell</b> , Y-C Huang, Y-F Su and CA Piantadosi. American Academy of Pediatrics. October 1992. San Francisco, CA.	
Fellow (F.A.A.P.)	1995
American Academy of Pediatrics	
Resident Education Award	1996
University of Kentucky	
Golden Apple Award	1999
Emory University	
Best Doctors in America	2007 – 2013
Elected Fellow (F.C.C.M.)	2008
American College of Critical Care Medicine	
Presidential Citation	2011
Society of Critical Care Medicine	
This award recognizes SCCM members who have made “extraordinary contributions of time, energy, and resources to SCCM during the previous year”.	
Presidential Citation	2013
Society of Critical Care Medicine	
This award recognizes SCCM members who have made “extraordinary contributions of time, energy, and resources to SCCM during the previous year”.	

#### Society Memberships:

American Academy of Pediatrics (AAP)	1986 – Present
Fellow	1995 – Present
Section member - Critical Care	
Section member - Advances in Therapeutics and Technology	
PREP ICU Editorial Board	2012 – Present
Editor	2014 – Present
Executive Council, Section on Critical Care (elected)	2012 – Present
Coding Publications Editorial Advisory Board (EAB)	2014 – Present
Society of Critical Care Medicine (SCCM)	1994 – Present
Section member, Pediatric Critical Care	

Fundamentals of Disaster Management Committee	2008 – 2011
Paragon Initiative Coach	2009 – 2013
Paragon Committee	2012 – 2013
ICU Report Revision Committee	2010 – 2013
Pediatric Comprehensive Review Text, Co-Editor	2010 – 2012
Disaster Medicine Online Course	2010 – 2013
ICU Management (Benchmarking) Committee	2013 – Present
Pediatric Section Executive Committee (elected)	2014 – Present
Southeast Chapter, SCCM	1999 – Present
Board of Directors	2010 – Present
Society for Pediatric Sedation (SPS)	2007 – Present
Board of Directors, re-elected 2009	2007 – 2012
Nomination Committee	2010
Membership Committee	2010 – 2012
Quality Committee	2010 – Present
Quality in Pediatric Sedation Consensus Panel (AHRQ)	2011
Fellow, American College of Critical Care Medicine	Elected 2008
Guidelines Utilization Committee	2010 – Present
American Pediatric Society (APS)	Elected 2013

#### Research focus

Primary focus: patient safety and quality improvement initiatives

- ICU and hospital-acquired infections (blood stream infections, ventilator associated pneumonia, catheter-associated urinary tract infection)
- Safety and efficacy of sedation holidays
- Prevention of pressure ulcers
- Prevention of deep vein thrombosis
- Safety of enteral feeding in ventilated children
- Procedural sedation safety
- Ultrasound for placement of central vascular access
- Completeness of brain death documentation
- Safety of sedation outside of the operating suite by non-anesthesiologists
- Urinary tract infection (CA-UTI) prevention

#### Grant Support:

Winthrop Pharmaceuticals	(b) (4)	1989 – 1993
“The cardiovascular effects of Amrinone in children”		
Co-Investigator		
Children’s Miracle Network Telethon	(b) (4)	1992 – 1994
“Cerebral blood flow during extracorporeal life support”		
Co-Investigator		
Children’s Miracle Network Telethon	(b) (4)	1995 – 1996
“Comparison of NG/OG and DT feedings on the occurrence of clinical and sub-clinical aspiration in intubated critically ill children”		
Principle Investigator		

University of Kentucky Research Grant "Drug delivery during acute lung injury utilizing perfluorocarbon liquid ventilation" Principle Investigator	(b) (4)	1995 – 1996
Alliance Pharmaceutical Corp. "A multicenter, randomized, controlled study of the safety and efficacy of Partial Liquid Ventilation with AF0141 (Sterile Perflubron) in children with acute parenchymal lung injury" Principle Investigator	(b) (4)	1996 – 1998
Friends Research Fund - CHOA "Gastric vs. post-pyloric feeding in intubated pediatric patient" Principle Investigator	(b) (4)	2002 – 2005
Atlanta Pediatric Device Consortium (APDC) (FDA funded) "Device to Improve and Monitor Pediatric Hand Sanitizer Compliance"	\$5,000	2012 – 2013
Children's Healthcare of Atlanta Friends' Grant "Device to Improve and Monitor Pediatric Hand Sanitizer Compliance"	(b) (4)	2012 – 2014

## Formal Teaching:

## a. Medical Student Teaching

Problem-based learning Precepted 3rd year medical students, 4 students 3 hours, 1-2 times per week for 8 weeks	1999
M4 students on elective rotation in PICU	1996 – 2010
M3 students on rotations	2009 – Present
M4 students on senior ICU rotation & FCCS	2010 – Present

## b. Graduate Program

## Training programs

Critical Care Medicine Fellowship (lectures, teaching materials, bedside)	
Duke University Medical Center	1993 – 1994
Children's Healthcare of Atlanta	1996 – Present
Residency program (lectures, teaching materials, bedside)	
Duke University Medical Center	1992 – 1994
University of Kentucky Medical Center	1994 – 1996
Emory University	1996 – Present
Morehouse School of Medicine	2002 – Present

## Supervisory Teaching:

## a. Post-doctoral fellows directly supervised (\*\*\*)primary research mentor)

1. (b)(6) MD 1992 – 1994  
University of Colorado, Denver, CO
2. (b)(6) MD 1993 – 1994  
Carolinas Medical Center, Concord, NC
3. (b)(6) MD 1996 – 1998  
Associate Professor, Emory University, Atlanta, GA
4. (b)(6) MBBS 1996 – 1998  
Amarillo, TX
5. (b)(6) MD 1996 – 1999  
Chief of Critical Care  
Driscoll Children's Hosp, UT - Corpus Christi, TX
6. (b)(6) MD 1998 – 2001  
Associate Professor, Emory University, Atlanta, GA  
Co-Director Children's Response Transport  
CCM Fellowship Director  
PICU Medical Director
7. (b)(6) DO 1999 – 2002  
University of Iowa, Iowa City, IA
8. \*(b)(6) MBBS 2001 – 2003  
Assistant Professor, Emory University, Atlanta, GA  
Co-Director Children's Sedation Services
9. (b)(6) MD 2001 – 2004  
Intensivist & anesthesiologist, US Army, San Antonio, TX
10. (b)(6) MD 2001 – 2004  
Sacred Heart Hospital, Pensacola, FL
11. (b)(6) MD 2003 – 2007  
Assistant Professor, Emory University, Atlanta, GA &  
Children's Healthcare of Atlanta at Egleston  
Medical Director, TICU, Children's Healthcare of Atlanta at Egleston  
Director of Pediatric Education and Development through Simulation  
Program (PEDSIM)
12. \*(b)(6) MD 2004 – 2007  
University of Texas San Antonio Health Science Center, San Antonio, TX
13. (b)(6) MD 2004 – 2007  
Assistant Professor, Emory University, Atlanta, GA &  
Children's Healthcare of Atlanta at Egleston  
Director of Pediatric ECMO and Advanced Technologies  
Director, Apheresis Services
14. (b)(6) MD 2005 – 2008

Mercer University, Macon, GA  
 Research Director, Dept. of Pediatrics, Medical Center Central Georgia

15. (b)(6) MD 2006 – 2009  
 University of Texas Southwestern Medical School, Dallas, TX
16. (b)(6) MD 2006 – 2009  
 East Tennessee Children's Hospital, Knoxville, TN
17. (b)(6) MD 2007 – 2010  
 Vanderbilt University, Nashville, TN
18. (b)(6) MD 2009 – 2010  
 Mercy Hospital, Kansas City, KS
19. (b)(6) MD 2008 – 2011  
 Children's Healthcare of Atlanta at Scottish Rite, Atlanta, GA
20. (b)(6) MD 2008 – 2011  
 Oschner, New Orleans, LA
21. (b)(6) MD 2009 – 2012  
 Palmetto Medical Center, Columbia, SC
22. \*\*\*(b)(6) MD 2009 – 2012  
 Innova Fairfax, VA
23. (b)(6) MD 2009 – 2012  
 University of Kentucky Medical Center
24. (b)(6) MD 2010 – 2013  
 Pediatric Cardiology Fellow, Sibley Heart Center  
 Children's Healthcare of Atlanta
25. (b)(6) MD 2010 – 2013  
 University of Kentucky Medical Center
26. \*\*\*(b)(6) MD 2011 – 2014  
 Position accepted, Children's Hospital of Colorado, Colorado Springs,  
 CO
27. \*\*\*(b)(6) MD 2012 – Present
28. (b)(6) MD 2012 – Present
29. (b)(6) MD 2012 – Present
30. (b)(6) MD, PhD 2013 – Present
31. (b)(6) MD 2013 – Present

b. Residency Program

	(b)(6) MD (faculty advisor) Assistant Professor, Emergency Medicine, Emory University	1998 - 2001
c.	Other	
	(b)(6) (displaced post-Katrina LSU student)	2005 – 2006
	(b)(6) MD (visiting EM fellow, Vancouver, BC) --manuscript in resubmission, <i>Pediatric Radiology</i>	2010
	(b)(6) (MD-PhD student) Emory IRB pending	2012 - 2013
	(b)(6) (undergraduate student, University of Georgia) Abstract submitted, manuscript in preparation	2012

## Lectureships, Seminar Invitations, and Visiting Professorships:

“Prevent Ventilator Associated Pneumonia” The Kids Campaign - National Initiative for Children’s Healthcare Quality (NICHQ) & Child Health Corporation of America (CHCA) National webcast: <a href="http://www.chca.com/thekidscampaign/preventventilatorpneum.html">http://www.chca.com/thekidscampaign/preventventilatorpneum.html</a>	Oct 17, 2007
---	--------------

## Invitations to National Conferences:

Panel Discussion: “Preventing Ventilator Associated Pneumonia” Creating Connections 2008 – National Association of Children’s Hospitals and Related Institutions (NACHRI). <a href="http://www.childrenshospitals.net/AM/Template.cfm?Section=Educational_Sessions&amp;TEMPLATE=/CM/ContentDisplay.cfm&amp;CONTENTID=34188">http://www.childrenshospitals.net/AM/Template.cfm?Section=Educational_Sessions&amp;TEMPLATE=/CM/ContentDisplay.cfm&amp;CONTENTID=34188</a> Miami, FL	March 18, 2008
“Pediatrics Year-in-Review: Translational Medicine” 38 <sup>th</sup> Critical Care Congress, Society of Critical Care Medicine	Feb 3, 2009
“Catheter Associated Blood Stream Infections” Society of Critical Care Medicine <a href="http://www.sccm.org/Documents/Paragon/ParagonTeleconference/player.html">http://www.sccm.org/Documents/Paragon/ParagonTeleconference/player.html</a>	June 18, 2009
“Ventilator-associated pneumonia: An ounce of prevention is worth a pound of cure” SCCM Webcast Series <a href="http://www.sccm.org/Conferences/Webcasts/Pages/VentilatorAssociatedPneumonia.aspx">http://www.sccm.org/Conferences/Webcasts/Pages/VentilatorAssociatedPneumonia.aspx</a>	April 8, 2010
“Selecting the right drug for procedural sedation” Breakout session moderator 5 <sup>th</sup> International Multidisciplinary Society for Pediatric Sedation Conference Louisville, KY	May 23, 2010

"Refining Surveillance Definitions for Ventilator-Associated Lower Respiratory Infections" Health and Human Services (HHS)	Sept 2, 2010
"Optimizing sedation for invasive procedures" 6 <sup>th</sup> International Multidisciplinary Society for Pediatric Sedation Conference Minneapolis, MN	May 24, 2011
Society for Pediatric Sedation Quality Summit AHRQ grant funded consensus panel Baltimore, MD	Nov 14-5, 2011
"Sedation in non-hospital locations – special issues" 7 <sup>th</sup> International Multidisciplinary Society for Pediatric Sedation Conference Cleveland, OH	May 22, 2012
Moderator - Section on Critical Care 2013 AAP National Conference and Exhibition Orlando, FL	Oct 28, 2013

#### Other Activities

##### a. Media Interviews:

Wall Street Journal "Pediatric ICU's make headway against infection". Section D1. Byline: Laura Landro.	April 18, 2007
Glenn Institute: The Taylor Willis Story	February 2008
Interview: Society for Pediatric Sedation Newsletter <a href="http://www.pedsedation.org/sections/newsletters/2008spring/interview.html">http://www.pedsedation.org/sections/newsletters/2008spring/interview.html</a>	May 2008
Interview: ECMO & MRSA story WSB-TV (ABC) Pre-Parade show	Dec 6, 2008
Interview: Hyperthermia – children in cars <a href="http://www.myfoxtlanta.com/dpp/health/Groups-Warn-to-Keep-Kids-Out-of-Hot-Cars-20110526-am-sd">http://www.myfoxtlanta.com/dpp/health/Groups-Warn-to-Keep-Kids-Out-of-Hot-Cars-20110526-am-sd</a>	May 25, 2011
Interview: Hyperthermia – children in cars Local Channel 11	June 21, 2011
Interview: HealthWatchMD.com (Dr. Randy Martin) <a href="http://www.HealthWatchmd.com">www.HealthWatchmd.com</a>	August 2011
Interview: WSB-TV – hand hygiene <a href="http://www.wsbtv.com/videos/news/engineer-creates-new-technology-to-help-ill-kids/vCLyKw/">http://www.wsbtv.com/videos/news/engineer-creates-new-technology-to-help-ill-kids/vCLyKw/</a>	December 2013

## b. Selected Lectures given

Critical Care Nurse Lecture Series: (each given 2-3 times per year, 20-30 RN's) Topics: brain death, organ donation, nosocomial infections	2003 - Present
Pediatric and Critical Care Transport Course: (each given twice per year, 20-30 learners) Topics: respiratory diseases, transport emergencies, toxic ingestions	2001 - 2006
Advanced Critical Care transport-4-Kids: (each given twice per year, 20-30 learners)	2006 - 2007
Grand Rounds - "Pediatric Early Warning Score" Columbus Regional Hospital, Columbus, GA	May 14, 2009
Community service: "Respiratory emergencies" Emergency Medical Services instructional video	Nov 3, 2010
Community service: "Heat stroke in athletes" Safe Kids Coalition	Aug 10, 2011

## c. Non-medical courses taken

Biostatistics Duke University Medical Center	1990
Managing Critical Care Units Mercer University School of Medicine	1994
Medical Informatics Stanford University	1996
Six Sigma Green Belt Course	2006
Public Health Preparedness (Homeland Security) Penn State School of Medicine	2007 - 2008
Fundamentals of Disaster Management Provider Course Society of Critical Care Medicine	2007

## Presented Abstracts

1. "Skeletal muscle cytochrome  $a_{a3}$  response to endotoxin during maximal contraction". FG Duhaylongsod, **JA Stockwell** and CA Piantadosi. American Thoracic Society. May 14, 1991. Anaheim, CA.
2. "Endotoxemia is associated with a potentially reversible mitochondrial substrate limitation : A study using *in vivo* Near Infrared Spectroscopy". FG Duhaylongsod, **JA Stockwell**, CA Piantadosi and WG Wolfe. American College of Chest Physicians. November, 1991. San Francisco, CA.

3. "Effect of brain reperfusion strategy on cerebral blood flow and metabolism after total circulatory arrest in children". WJ Greeley, JR Mault, B Baldwin, **JA Stockwell**, JG Reves and RM Ungerleider. American Society of Anesthesiology. October 1991.
4. "In vivo Near Infrared monitoring of skeletal muscle oxidative phosphorylation during endotoxemia". FG Duhaylongsod, **JA Stockwell**, CA Piantadosi and WG Wolfe. Surgical Infection Society. April 1991.
5. "Antibiotics increase serum tumor necrosis factor (TNF) and mortality after cecal ligation in the rat" **JA Stockwell**, Y-C Huang, Y-F Su and CA Piantadosi. American Academy of Pediatrics (Award: Best Basic Science Abstract). October 1992. San Francisco, CA.
6. "Cerebral CO<sub>2</sub> reactivity is maintained during veno-arterial extracorporeal life support". **JA Stockwell**, FH Kern, JN Meliones, RM Ungerleider and WJ Greeley. CNMC ECMO Symposium. March, 1993. Keystone, CO.
7. "Right internal jugular (RIJ) ligation increase cerebral blood flow (CBF) but not intracerebral pressure (ICP)". PJ Chai, LA Skaryak, JN Meliones, **JA Stockwell**, SM Mahaffey, JR Mault, RL Auten, FH Kern, WJ Greeley and RM Ungerleider. CNMC ECMO Symposium. March, 1993. Keystone, CO.
8. "Elevated serum lactate correlates with intracranial hemorrhage". ES Nozik, DR Black, DR Hansell, **JA Stockwell**, FH Kern, JN Meliones, RM Ungerleider, SM Mahaffey, SR Schulman and WJ Greeley. CNMC ECMO Symposium. March, 1993. Keystone, CO.
9. "Cerebral CO<sub>2</sub> reactivity is maintained during veno-arterial extracorporeal life support". **JA Stockwell**, FH Kern, JN Meliones, RM Ungerleider and WJ Greeley. Oral presentation at Society for Pediatric Research. May 1993. Washington, DC.
10. "O<sub>2</sub> extraction is increased and TCA cycle intermediates are not depleted in working skeletal muscle during sepsis". **JA Stockwell** and CA Piantadosi. American Thoracic Society. May 1993. San Francisco, CA.
11. "The use of volume reduced platelets in extracorporeal life support". DR Hansell, **JA Stockwell**, BG Wilson and JN Meliones. CNMC ECMO Symposium. March 1994. Keystone, CO.
12. "Successful use of extracorporeal life support in a child with acute chest syndrome complicating sickle cell crisis" J Casey, **J Stockwell**, C Trant, G McGowage, W Greeley, J Meliones and T Kinney. Extracorporeal Life Support Organization. Ann Arbor, MI1994.
13. "Early peritoneal dialysis improves lung function during postoperative low output cardiac failure in children". **JA Stockwell**, D Wensley, D Lirenman and H Werner. Society of Critical Care Medicine. February, 1995. Anaheim, CA.
14. "Hypogammaglobulinemia from large losses of pleural fluid". HA Werner, **JA Stockwell** and F McCaffrey. Proceedings, Eighth Annual Pediatric Critical Care Colloquium. 1995. Sea Island, GA.

15. "Added external flow decreases imposed work of breathing in infants weaning from ventilatory support". HA Werner and **JA Stockwell**. Society of Critical Care Medicine. *Critical Care Medicine* 1996; 24(1):A150.
16. "Partial liquid ventilation causes formation of interstitial perivascular cuffs in rabbit lung". HA Werner, **JA Stockwell** and SJ Lai-Fook. American Thoracic Society. 1996. Toulouse, France.
17. "Gastroesophageal reflux in children: diagnosis and treatment analysis comparing specialists to general pediatricians". M Tabbah, B Gold and **JA Stockwell**. NASPGN. March, 1998. Ft. Lauderdale, FL.
18. "Gastroesophageal reflux in children: diagnosis and treatment analysis comparing specialists to general pediatricians". M Tabbah and **JA Stockwell**. Slide presentation - ESPGHN/NASPGHN (European & American Society for Pediatric GI and Nutrition). May 27-30, 1998. Toulouse, France.
19. "Pediatric hospitalizations due to peptic ulcer disease in the era of *Helicobacter pylori*: Analysis of the pediatric Hospital Information System". M Kennedy, CR Friedman, **J Stockwell** and BD Gold. American Gastroenterological Association's Digestive Diseases Week. May 16-19. 1999. Orlando, FL.
20. "Comparison of ventilator length of stay (VLOS) in pediatric patients using a patient-driven respiratory protocol (PDRP) compared to a physician-directed approach: A pilot study". RD Restrepo, JD Fortenberry, C Spainhour, **JA Stockwell**, and LT Goodfellow. 46<sup>th</sup> International Respiratory Congress. October 7-10, 2000. Cincinnati, OH.
21. "Population-based epidemiological survey of gastroesophageal reflux disease in hospitalized U.S. children". TE Gibbons, **J Stockwell**, RP Kreh, S McRae and BD Gold. American Gastroenterological Association's Digestive Diseases Week. May 20-23, 2001. Atlanta, GA.
22. "Use of methylene blue spectrophotometry to detect subclinical aspiration in enterally fed intubated pediatric patients". P Kamat and **JA Stockwell**. American Thoracic Society, May 16-21, 2003. Seattle, WA.
23. "Effectiveness of a physician-managed pediatric sedation service" W King, **JA Stockwell**, M DeGuzman, HK Simon, NS Khan. Society of Academic Emergency Medicine. May 24, 2005. New York, NY.
24. "Development & implementation of a ventilator associated pneumonia (VAP) quality bundle in a pediatric intensive care unit". **JA Stockwell** and K Rogers. Society of Critical Care Medicine. January, 2006, San Francisco, CA.
25. "Ultrasound guided central venous access in children". Curt Froehlich, **JA Stockwell** and M Rigby. American Academy of Pediatrics. October 8, 2006. Atlanta, GA.
26. "Bedside ultrasonography for central venous catheter placement decreases placement attempts and increases use of internal jugular approach in children". CD Froehlich, MR Rigby, PJ Roerig, **JA Stockwell**. Society of Critical Care Medicine, February, 2007. Orlando, FL.

27. "Reliable pediatric prolonged procedural sedation using Propofol and a dedicated sedation service" KN Patel, HK Simon, CA Stockwell, **JA Stockwell**, MA DeGuzman, PJ Roerig, MR Rigby. Pediatric Academic Societies, May 5-8, 2007, Toronto, Canada.
28. "Preventing VAP in the Pediatric Intensive Care unit". **JA Stockwell**, A Thomas. Institute for Healthcare Improvement 19<sup>th</sup> Annual National Forum, December 11, 2007. Orlando, FL.
29. "Increased Rates of Peptic Ulcer Disease (PUD) and *Helicobacter pylori* (HP) Related Hospitalizations in U.S. Children: A 15 year Analysis" GD Horvitz, WS McRae, S Talarico, TR. Mehta, NR. Salama, **JA Stockwell**, M Kennedy, BD Gold. Digestive Disease Week, May 19, 2008.
30. "Increased Prevalence of Gastroesophageal Reflux Disease (GERD) in Hospitalized U.S. Children: A Growing Healthcare Problem" TR Mehta, T Gibbons, **JA Stockwell**, T Leong, WS McRae, GD Horvitz, BD Gold. Digestive Disease Week, May 19, 2008.
31. "Impact of a computerized template on compliance in documenting brain death" **JA Stockwell**, C Reid, N Pham. Society of Critical Care Medicine, Nashville, TN, Feb 2009.
32. "Interruption of sedative infusions can be safely performed via a sedation protocol for select intubated pediatric patients" **JA Stockwell** & A Vats. Accepted, Society of Critical Care Medicine Congress, Miami, FL, Jan 2010.
33. "Daily sedation holiday does not reduce the amount of narcotic given 18 hours after holiday" A Vats & **JA Stockwell**. Poster, Society of Critical Care Medicine Congress, Miami, FL, Jan 2010.
34. "Pediatric Early warning Score (PEWS) increases prior to deterioration and arrest in children" **JA Stockwell**, J Goswami-Vachani, JD Fortenberry, C Levine, A Kohrt, R Toney, T Petrillo-Albarano. Oral presentation at PAS, May 1, 2010, Vancouver, BC.
35. "Modified PEWS (TPEWS) Scores as an Assessment Tool for severity of illness During Pediatric Transport" T Petrillo-Albarano, **JA Stockwell**, E Hickman, K Hebbar. Poster presented at PAS, May 1-4, 2010, Vancouver, BC.
36. "Modified PEWS (TPEWS) Scores as an assessment tool for severity of illness during pediatric transport" T Petrillo-Albarano, **JA Stockwell**, E Hickman, K Hebbar. Poster accepted for AAP, Oct 3, 2010.
37. "Continuous infusion of lorazepam provides more consistent sedation than midazolam in mechanically ventilated pediatric patients" E Martin, **JA Stockwell**, A Vats. Poster presentation at Society of Critical Care Medicine 40<sup>th</sup> Annual Congress, San Diego, CA, Jan 2011.
38. "Impact of lovenox prophylaxis on the development of deep venous thrombosis in children with a central venous catheter" C Davenport, M Briones, **JA Stockwell**. Poster presentation at Society of Critical Care Medicine 40<sup>th</sup> Annual Congress, San Diego, CA, Jan 2011.

39. "Automated schedule generation of MD staffing for a pediatric ICU using integer programming to achieve enhanced continuity" H Smalley, P Keskinocak, **J Stockwell**, and A Vats. Poster presentation at Society of Critical Care Medicine 41th Annual Congress, Houston, TX, Feb 2012.
40. "Risk factors for adverse respiratory events leading to aborted procedural sedation in children outside the operating room" JR Grunwell, C McCracken, JD Fortenberry, **J Stockwell**, PP Kamat. Poster presentation at Society for Pediatric Sedation Annual Meeting, Cleveland, OH, May 2012.
41. "Comparative effectiveness of Chlorhexidine preparation versus isopropyl alcohol on needless connectors" AN Karcz, L Kendrick, D Hrabowski-Grier, R Watson, **JA Stockwell**, T Stanley, R Jerris. Oral presentation at AVA 2012: Association for Vascular Access 26th Annual Scientific Meeting, San Antonio, TX. October 16-19, 2012.
42. "VAP prophylaxis implementation in a large pediatric center" D Heitz, S Sparacino, C Cunningham, D Peace, **J Stockwell**. *Presented at American Association of Respiratory Care's (AARC) 58th International Respiratory Convention, New Orleans, LA. November 12, 2012.*
43. "Impact of a daily rounding checklist on device utilization in the Pediatric Intensive Care Unit (PICU)" T Haefls & **JA Stockwell**. Poster presentation at Society of Critical Care Medicine 42th Annual Congress, San Juan, Puerto Rico, Feb 2013.
44. "Retrospective case-controlled analysis to determine the risk factors associated with the development of catheter-associated urinary tract infections (CA-UTI) in critically ill children". J Haywood, N Pham, **JA Stockwell**. Poster presentation at Society of Critical Care Medicine 42th Annual Congress, San Juan, Puerto Rico, Feb 2013.
45. "Pediatric Critical Care Physician-Administered Procedural Sedation Using Propofol: A Report From the Pediatric Sedation Research Consortium". P Kamat, JD Fortenberry, **JA Stockwell**, C McCracken, J Cravero, K Hebbar. Oral presentation at Society for Pediatric Sedation Annual Meeting, Houston, Tx. May 22, 2013.
46. "Experience and Evaluation of Deep Sedation Services by a Pediatric Sedation Team at a Free-standing Outpatient Center" ET Emrath, **JA Stockwell**, CE McCracken, HK Simon, PP Kamat. Poster at Society for Pediatric Sedation in Houston, Tx, May 21-22, 2013.
47. "Novel use of pressure mapping to evaluate acceptable load-bearing times in children undergoing neursurgery" A Carmean, S Sprigle, JA Stockwell. Poster presentation at Society of Critical Care Medicine 43th Annual Congress, San Francisco, CA, Jan 2014.

e. Manuals, videos, computer programs, and other teaching aids:

Resident teaching manual: "Pediatric Critical Care Medicine Core Curriculum"  
University of Kentucky

Resident curriculum – Critical Care Medicine

Designed for Emory, Morehouse and visiting residents on PICU rotation

Lectures contributed / revised:

Mechanical ventilation

Airway management

Pain and sedation

Cardiovascular medication

Toxicological emergencies

Neuromuscular blockade

Respiratory failure and ARDS

Traumatic brain injury

Brain death

Near drowning

Developed curriculum for fellows rotating through Children's Sedation Service

Compilation of articles and resource materials on deep procedural sedation
