This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

**DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:**

**OBSERVATION 1**

Stray animals are not prevented from entering poultry houses.

Specifically, while performing environmental sampling of deep pit hen house number **(b) (4)** on 10/13/2010, Investigators observed a cat-like animal at approximately the midpoint of the building near the east wall. The animal was dark grey / black, appeared to be approximately eighteen inches in length, and was observed sitting momentarily then running to the North end of the manure pit.
