This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

**DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:**

**OBSERVATION 1**

Your written SE prevention plan lacks appropriate SE prevention measures.

Specifically, your biosecurity plan does not include cross contamination prevention measures from the transfer of equipment and personnel.

**OBSERVATION 2**

The presence of rodents is not monitored by appropriate monitoring methods.

Specifically, your firm has not established an acceptable level of rodent activity to act as a standard for rodent monitoring.
