This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

**DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:**

**OBSERVATION 1**

You do not maintain records documenting compliance with refrigeration requirements.

Specifically, for the time period of 08/15/2010 to 09/04/2010 egg cooler temperatures were not recorded on the temperature log.

**OBSERVATION 2**

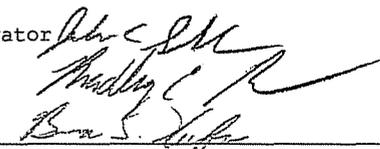

All your required records do not include the time of the activity that the records reflect.

Specifically, the time that the temperature is taken is not recorded on the temperature log.

**OBSERVATION 3**

All required records do not have the signature or initials of the person performing the operation or creating the record.

Specifically, the temperature log is not signed or initialed by the person recording the temperature at the time the temperature is recorded.
