This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:

OBSERVATION 1

Potential harborage for pests in and outside your poultry house have not been eliminated by removing debris and vegetation outside the poultry house.

Specifically,

On the north side of House 14 the cooling cells were leaking causing a pooling of water in a tire rut. The tire rut was approximately 15 feet long and approximately 1 foot wide.

On the north side of House 12 the cooling cells were leaking causing a pooling of water in two tire ruts. The tire ruts was approximately 10 feet long and approximately 1 foot wide.
