This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

**DURING AN INSPECTION OF YOUR FIRM I OBSERVED:**

**OBSERVATION 1**

Your written SE prevention plan lacks appropriate SE prevention measures.

The Salmonella Enteritidis Plan for Hoover Ranch #1 does not address refrigeration requirements, 5-log treatment of shell eggs, or specific procedures for doing environmental tests (swabbing).

**OBSERVATION 2**

Potential harborage for pests in and outside your poultry house have not been eliminated by removing debris and vegetation outside the poultry house.
