This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

**DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:**

**OBSERVATION 1**

The presence of flies is not monitored by appropriate monitoring methods.

Specifically, during the current inspection, your firm was not monitoring for flies. During the walkthrough of the poultry house and manure pit, a significant number of flies were observed.

**OBSERVATION 2**

Potential harborage for pests in and outside your poultry house have not been eliminated by removing debris and vegetation outside the poultry house.

Specifically, during the current inspection, your firm did not remove vegetation around the perimeter the poultry house.

**OBSERVATION 3**

You do not maintain records documenting compliance with refrigeration requirements.

Specifically, during the current inspection, your firm did not maintain refrigeration records until 11/16/2010. Also, refrigeration temperatures were recorded (b) (4) and when temperature were recorded over 45 degrees F, no corrective action was documented.

**OBSERVATION 4**

All required records do not have the signature or initials of the person performing the operation or creating the record.

Specifically, during the current inspection, refrigeration records did not include the initials of the person performing the operation.
