Dear Mr. Martin:

The Food and Drug Administration, Dallas District Office, is in receipt of your letter dated April 9, 2012, submitted to Reynaldo Rodriguez, Jr., District Director, in response to the list of Inspectional Observations (FDA-483) issued at the conclusion of our inspection of your food manufacturing facility on March 28, 2012.

Your response will be reviewed and maintained on file in the Dallas District Office as a record of your efforts to correct the deficiencies noted by our investigators.

Sincerely,

A handwritten signature in cursive script that reads "C. Sue Thomason".
