FOR CIVIL MONEY PENALTIES**

FDA Docket No. FDA-2014-H-1201
CRD Docket No. C-14-1719

INTRODUCTION

1. The Center for Tobacco Products (CTP), Food and Drug Administration (FDA), United States Department of Health and Human Services, seeks a civil money penalty (CMP) in the amount of \$250 from Walgreen Eastern Co., Inc., d/b/a Walgreens 10695 (Respondent) for violating the Federal Food, Drug, and Cosmetic Act (Act). Most recently during a two-part inspection of the establishment conducted on February 2 and 11, 2014, FDA-commissioned inspectors documented a violation for using a self-service display in a non-exempt facility, in violation of 21 C.F.R. § 1140.16(c). Specifically, the establishment has a shelf display that contains Red Man and Levi Garrett smokeless tobacco products that are accessible to customers. The establishment is open to the general public during business hours. Therefore,

this facility does not qualify as one where minors are not permitted to enter at any time. Details regarding the case history are included in Paragraphs 8-10 below.

2. Respondent owns an establishment that sells tobacco products, which does business under the name Walgreens 10695, located at 1311 Route 37 West, Toms River, NJ 08755.

LEGAL AUTHORITY

3. FDA has the authority to seek civil money penalties from any person who violates a requirement of the Act related to tobacco products. 21 U.S.C. § 333(f)(9).
4. The Act prohibits the misbranding of a tobacco product while such product is held for sale after shipment of the product or its components in interstate commerce. 21 U.S.C. § 331(k).
5. A tobacco product is deemed to be misbranded if it is sold or distributed in violation of regulations issued under Section 906(d) of the Act (21 U.S.C. § 387f(d)). 21 U.S.C. § 387c(a)(7)(B); 21 C.F.R. § 1140.1(b).
6. The regulations at 21 C.F.R. Part 1140 were issued under Section 906(d) of the Act (21 U.S.C. § 387f(d)). Therefore, selling or distributing a tobacco product in violation of these regulations causes that tobacco product to be misbranded.
7. FDA has documented multiple violations of 21 C.F.R. Part 1140 at Respondent's establishment, as detailed below.

CASE HISTORY

8. FDA-commissioned inspectors documented violations during two inspections at Respondent's establishment within a twelve month period.

9. Previously, on June 13, 2013, CTP issued a Warning Letter to Walgreens #10695. The Warning Letter stated that an FDA-commissioned inspector observed violations at the establishment on June 2, 2013, including:
 - a. Selling tobacco products to a minor, in violation of 21 C.F.R. § 1140.14(a). Specifically, a person younger than 18 years of age was able to purchase a package of Newport Menthol Blue Box cigarettes on June 2, 2013, at approximately 10:43 AM; and
 - b. Failing to verify the age of a person purchasing tobacco products by means of photographic identification containing the bearer's date of birth, as required by 21 C.F.R. § 1140.14(b)(1). Specifically, the minor's identification was not verified before the sale, as detailed above, on June 2, 2013, at approximately 10:43 AM.

The Warning Letter stated that failure to correct the violations may result in a civil money penalty action, or other regulatory action by FDA. It also stated that it was the responsibility of Walgreens #10695 to ensure compliance with the law, and that the letter was not intended as an exhaustive list of violations.

Additionally, on June 5, 2013, CTP issued a Notice of Compliance Check Inspection to Respondent's establishment stating that an inspection had been conducted on June 2, 2013, and that during this inspection a minor was able to enter the establishment and purchase a regulated tobacco product at approximately 10:43 AM. This Notice stated that other potential violations of federal tobacco law may have been observed, and further stated that if, after

review, CTP determined that there was a violation of federal law, the establishment may receive further notification from FDA.

10. On June 20, 2013, by email, James D. Figura, who identified himself as an attorney for Walgreen Co., responded to the Warning Letter on behalf of Respondent. Mr. Figura stated that Respondent “makes every effort to comply with all requirements set forth in the Code of Federal Regulations with regard to marketing, sale and/or distribution of tobacco products at all Walgreen Co. retail establishments.” Additionally, Mr. Figura stated that the store manager reviewed Walgreen’s company policy on cigarette sales with all store employees, directed all employees to review the training materials on cigarette sales, and reminded all store employees of the disciplinary consequences for failure to follow company policy. CTP responded to James D. Figura by letter dated July 23, 2013, acknowledging receipt of the establishment’s response and reminding Walgreen Co. of its continuing obligation to be in compliance with the Act and its implementing regulations.

12. CTP requests that a civil money penalty in the amount of \$250 be assessed against Respondent for two violations of 21 C.F.R. Part 1140 within a twelve month period.

OPTIONS FOR RESPONDING TO COMPLAINT

13. Respondent must take one of the following four actions within the time listed below:
 - a. Acknowledge that the violations occurred and pay the penalty: To pay the penalty, Respondent should follow the instructions detailed in the cover letter.

Respondent should not send any payments to CTP before submitting the Acknowledgment Form, which must be submitted within 15 days after service of the Complaint. Payment must be received by CTP within 30 days after service of the Complaint or Respondent must either file an Answer to the Complaint (see option (c) below) or request an extension of time for filing the Answer (see option (d) below).

- b. Request Settlement: Respondent may choose to participate in discussions with CTP to reach a settlement of this matter. If after a Settlement Conference, Respondent submits an acknowledgment of the violations and pays an agreed-upon penalty amount, a hearing would no longer be necessary. Payment must be received by CTP within 30 days after service of the Complaint or Respondent must either file an Answer to the Complaint (see option (c) below) or request an extension of time for filing the Answer (see option (d) below).
- c. File an Answer: Respondent has the right to request a hearing by filing an Answer within 30 days after service of the Complaint. The Answer shall be deemed to be a request for a hearing, unless the Answer states otherwise. The failure to file an Answer within 30 days after service of the Complaint may result in the imposition of the proposed civil money penalty. 21 C.F.R. § 17.11. Instructions for filing an Answer are listed in Paragraph 16.
- d. Request an Extension: Respondent has the right to request an extension of time to file an Answer, for good cause. This request must be made within 30

days after service of the Complaint. Instructions for filing for an extension are listed in Paragraphs 19 and 20.

14. Respondent has the right, but is not required, to retain counsel for representation.

INSTRUCTIONS FOR FILING AN ANSWER TO REQUEST A HEARING

15. Rules for drafting and filing the Answer can be found at 21 C.F.R. § 17.9.
16. If filing an Answer, the Answer:
 - a. Must be filed with the Departmental Appeals Board, Civil Remedies Division, 330 Independence Ave., S.W., Cohen Building, Room G-644 (MS 6132), ATTN: FDA CMP, Washington, D.C. 20201. The Answer must include both the FDA Docket Number and CRD Docket Number which are found at the top of this document.
 - b. Must include the following:
 - i. Admission or denial of each of the allegations of liability found in this Complaint, including specifically the allegations in Paragraphs 1, 2, 9, and 10. Allegations not specifically denied in the Answer will be considered admitted;
 - ii. All defenses on which Respondent intends to rely;
 - iii. All reasons (if any) why Respondent contends that the penalty should be less than the amount stated in Paragraph 12. Examples include: any retailer training program Respondent has put in place, any state penalty Respondent paid for this alleged violation, or reasons Respondent is unable to pay the penalty; and

- iv. The name, address, and telephone number of Respondent's counsel (if any). Other contact information, such as e-mail address, may be included.
 - c. May also include the following:
 - i. Information (if any) regarding penalties paid to a State for the same violation(s) charged in this Complaint. FDA will consider this information for purposes of determining a civil money penalty. *Guidance for FDA and Tobacco Retailers, Civil Money Penalties and No-Tobacco-Sale Orders for Tobacco Retailers, September 2013.*
 - ii. A request for an informal Settlement Conference to discuss reducing the penalty amount owed. Such a request may be filed as a part of the Answer, and is not an alternative to filing a complete Answer. If an informal Settlement Conference results in an agreed payment of a reduced penalty and written acknowledgment by Respondent that the violations occurred, a hearing would no longer be necessary.
- 17. If, after the Answer is filed, Respondent needs to change the Answer, Respondent can do so by filing a motion with the Departmental Appeals Board, Civil Remedies Division, 330 Independence Ave., S.W., Cohen Building, Room G-644 (MS 6132), ATTN: FDA CMP, Washington, D.C. 20201. 21 C.F.R. § 17.9(d). The motion must include both the FDA Docket Number and CRD Docket Number which can be found at the top of this document.

18. The failure to file an Answer or make full payment within 30 days after service of the Complaint may result in the imposition of the proposed civil money penalty.
21 C.F.R. § 17.11.
